Alder Creek State Marine Reserve (SMR)	No commercial or recreational fishing permitted, including no take of invertebrates.								
Alder Creek State Marine Conservation Area (SMCA High)	Commercial and recreational salmon and coastal pelagic FINFISH take only allowed. No Squid.

Cambria State Marine Park (SMP Low)	Recreational fishing only allowed, no commercial fishing, however, commercial shore-launched craft are permitted to transit the area.	Cambria State Marine Park (SMP Low)	No commercial take.	Cambria State Marine Park (SMP Low)	Recreational fishing only	Cambria State Marine Park (SMP Low)	No commercial take.	Cambria State Marine Park (SMP Low)	Allowed: All recreational fishing
		Ken Norris State Marine Reserve (SMR + SMCA-Low¹)	No take. Note: Site is proposed as SMR however an existing kelp bed lease may require a phasing in of this level of protection after lease has expired and can be redrawn. We propose this MPA be established as an SMCA allowing only kelp harvesting under the existing lease in any interim period.	Cambria State Marine Reserve (SMR+ SMCA-Low¹)	No take.	Cambria State Marine Reserve (SMR + SMCA Low¹)	No take.	Cambria State Marine Reserve (SMR + SMCA Low¹)	No take.

1. SAT protection level depends on status of existing kelp lease. Since SMR protection level is inconsistent with kelp harvest, SAT will evaluate MPA both ways to provide information for decision-makers

SMCA = state marine conservation area, SMP = state marine park, SMR = state marine reserve, SMRMA = state marine recreational management area
